Sir:

**INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §1.97(b)**

In accordance with the duty of disclosure under 37 CFR §1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the following documents, which are listed on the attached PTO-1449 Form. The Examiner may deem these documents to be relevant to patentability of the claims of the above-identified application. Copies of the foreign patents and printed publications, other than US patents and US patent application publications, are enclosed for the convenience of the Examiner.

The submission of the listed documents is not intended as an admission that any of the documents constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO-1449 be returned in accordance with MPEP §609.

IFW

It is understood that no fee is necessary for submission of this Information Disclosure Statement, as it is being filed before the later of three months from the filing date or the mailing of the first Office Action on the merits.

For the reasons set forth above, it is submitted that no additional fee is required for this Information Disclosure Statement. However, in the event that the Commissioner deems that an additional fee is required, it is respectfully requested that applicant's attorney be contacted and accorded an opportunity to pay such additional fee.

Respectfully submitted,

Ernest D. Buff
